

37th Annual  
**EMERGENCY  
MEDICINE  
DAYS 2026**

January 26 - 28, 2026  
Aloft Downtown, Tallahassee, FL

**THE SIGNATURE ADVOCACY EVENT FOR THE FLORIDA  
COLLEGE OF EMERGENCY PHYSICIANS**

Emergency Medicine Days is FCEP's premier advocacy event, strategically timed during Florida's Legislative Session when critical healthcare bills are being debated and decided.

Your sponsorship places your brand in front of nearly 2,500 FCEP members and 120 Florida legislative leaders, amplifying your visibility among key decision-makers.

In 2025, FCEP members met personally with over 30 legislators, directly shaping healthcare policy that now impacts emergency care statewide.

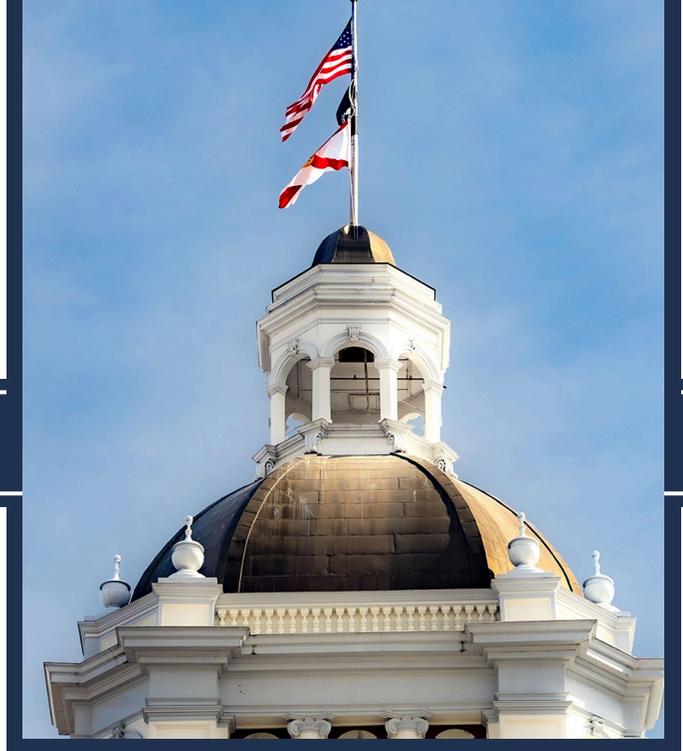

**WHO ATTENDS:**

- Emergency physicians and department leaders
- Residents and medical students
- Hospital executives and healthcare stakeholders

**WHY SPONSOR:**

Your investment makes a direct impact. When emergency physicians meet with legislators during EM Days, they advocate for policies that improve patient care, support frontline healthcare workers, and strengthen Florida's emergency medical system. Your sponsorship fuels this critical advocacy while positioning your company as a champion of emergency medicine.
